SHRINKING MAN REGAINS FIFTEEN LOST POUNDS

MINNEAPOLIS, Nov. 30. (AP)—The "shrinking man" of Minneapolis—52-year-old Hans Nelson—cheerfully pointed to a fifteen-pound gain in weight as evidence today that he is making a comeback.

The shrunken painter, victim of the bone disease osteomalacia, dwindled in stature from 5 feet 10 inches to 5 feet and in weight from 190 pounds to 148 in thirteen years.

But corrective dieting and injections of calcium at the University of Minnesota Hospital have enabled him to throw off that "tired feeling," he said, and to resume normal pursuits.

"I have gained fifteen pounds last summer I drove my car seven thousand miles and I can paint around the garage," said Nelsen. "Those wonderful doctors have helped me. Maybe I will be able to work again."

University of Minnesota medical authorities are not so sanguine. Nelsen is gaining strength but the shrinkage has not been definitely checked, they said. He suffered two relapses during his year of treatment and was bedridden for several months."

Gloria Vanderbilt Custody Fight Will Reopen Thursday

NEW YORK, Nov. 30. (AP)—Litigation over the custody of 12-year-old Gloria Laura Morgan Vanderbilt will be resumed Thursday when the child's aunt, Mrs. Harry Payne Whitney, will be called on to show cause why a court decree awarding her principal custody should not be modified.

Mrs. Gloria Morgan Vanderbilt, the child's mother, today obtained the order from Supreme Court Justice Leary.
